FACIAL TREATMENTS

50-minute treatment | 175

80-minute treatment | 225

Enjoy one of our signature facials utilizing PCA Skin products.

HYDRATING

Formulated to soothe and hydrate impaired skin conditions of all kinds. Utilizing oat milk, an excellent humectant and antioxidant, this unique treatment incorporates advanced botanicals and pro-vitamins such as cucumber, arnica, and hyaluronic acid to calm and improve the skin's appearance.

DEEP PORE DETOX

An excellent choice for detoxifying sluggish, tired skin, this deep pore detox's active ingredients effectively penetrate pores and dissolve impactions and impurities, while stimulating cellular oxygenation. With its strong antibacterial and antioxidant action, this treatment provides a deep cleansing, leaving the skin purified and clear.

ANTI-AGING

This comprehensive, soothing and aromatic facial will effectively boost cell metabolism, treat fine lines, wrinkles, sun damage, uneven texture, and laxity, while drawing moisture to the surface, leaving the skin hydrated, bright, and rejuvenated.

CLARIFY AND ANTI-BLEMISH

A treatment formulated for problematic and blemished skin, it is both antibacterial and anti-inflammatory, to quickly and effectively clear and prevent breakouts. This treatment incorporates advanced soothing botanicals with salicylic acid, leading to an even and clear complexion.

OXYGENATING

This multi-step treatment contains anti-oxidants and enzymes that stimulate cellular oxygenation and circulation, rejuvenating stressed skin as it draws oxygen to the surface. This treatment leaves the skin smooth, purified, glowing, and radiant.

FACIAL TREATMENTS

SENSI PEEL

225

Formulated for all skin tones and types, including highly sensitive skin and rosacea. This gentle peel improves surface texture and fine lines while brightening skin.

PCA PEEL

225

Ideal for oily, sensitive skin types, this modified and enhanced peel improves breakout-prone skin and promotes an even skin tone. Good for ethnic skin or those allergic to or sensitive to hydroquinone.

ULTRA PEEL

225

Best for resilient skin and specially formulated to treat maturing skin. It rejuvenates and evens skin, while improving fine lines and wrinkles.

PCA PEEL® WITH HYDROQUINONE & RESORCINOL

225

This peel is perfect for resilient skin that requires a deeper treatment. It helps promote an even skin tone and a clear complexion and improves sun damage and acne.

4% PURE RETINOL PEEL

275

For skin in need of rejuvenation, this retinoid peel smooths, brightens, and evens skin tone through increased cell turnover. This peel is for all skin types in need of rejuvenation. Reduces fine lines, wrinkles and discoloration, and smooths the skin's texture. Clients should expect peeling and/or sheeting for up to a week following their treatment.

ADVANCED PEEL TREATMENT

375

This peel combines the perfect peel for your skin type while adding additional cellular turnover. Clients should expect peeling and/or sheeting for up to a week following their treatment. Combination of: 4% Pure Retinol Peel and Esthetician's choice of Sensi Peel, PCA Peel, Ultra Peel, or PCA Peel® with Hydroquinone & Resorcinol based on skin's needs and conditions.

MICRONEEDLING

Microneedling is a form of Collagen Induction Therapy that significantly improves the appearance of sun damage, fine lines, wrinkles, acne scars, and stretch marks with little downtime. Fast and minimally invasive, skin needling stimulates the natural production of new collagen and elastin in the skin. The repair process begins almost immediately, although best results are achieved in a series of three sessions, four weeks apart.
